Library Page – Approximately 15 hours per week

Middendorf-Kredell Branch, O'Fallon Mo

A book would not be a book without its pages. In the same way, a library could not function without its Library Pages. Shelving books and other materials seems like an easy task, but if you've spent any time in the library, you know that finding what you need would be impossible if the materials were not organized. As a Library Page, you will return materials to the shelves, read shelves to ensure materials are in their proper places, and dress and dust shelves so materials are appealing to the customer. If you have a head for details and enjoy spending time with people and with books, we need you!

Skills needed for this job are:

- Ability to file accurately alphabetically and using the Dewey Decimal System
- Ability to perform basic office duties
- Ability to perform detailed work with speed and accuracy
- Ability to work with minimal supervision and meet goals

Physical Requirements

- Ability to lift materials and push or pull carts weighing up to 30 pounds
- Ability to move freely throughout the branch to return materials to shelves
- Ability to stand for long periods of time
