

Library cardholders can enjoy free and unlimited access to more than 7,000 digital newspapers and magazines, from more than 120 countries and in 60 languages, on the PressReader website and app. PressReader is free but app users will need to sign-in for the first time while they are in the Library.

Getting Started: On the Go:

- 1 Connect to the Library's Wi-Fi network
- 2 Download the PressReader app
- 3 Launch the app and find publications to download in the Browse tab
- 4 Tap on a title you like and select the edition you wish to download
- 5 Once you download, it appears in your downloaded tab on the app

Getting Started: From Your Home or Office:

- 1 Visit mylibrary.org/enewsstand
- 2 Look for Newspapers and then PressReader
- 3 Login with your Library card and PIN
- 4 Start reading

Want to Download Your Favorite Titles Automatically?

You can choose up to five of your favorite titles to be automatically downloaded to your device.

As soon as one becomes available on PressReader, you'll get your copy. After installing the app as outlined above, here's how to turn it on:

- ✓ Open the Browse screen
- ✓ Find your favorite magazine or newspaper
- ✓ Tap on the cover

This will take you to the order screen where you can swipe the toggle shown to turn on auto delivery.
