Adron Buske — *Fictitious* podcast host & *Nerd for a Living* co-founder

- *How to be a Lifelong Learner: Why Trying Something New Keeps You Excited, Social, and Relevant*

Life-long learning isn't just about workplace longevity. It is expanding who we are through personally rewarding pursuits, meeting new people, and sharing new experiences. Adron will explore how continually trying new things keeps us sharp, excited, relevant, and more adaptable for whatever life throws at us.
